## Christmas Collections

We have asked a range of homelessness prevention and resettlement charities or organisations who work with isolated and vulnerable people in York to send us their 'wish lists' for Christmas gifts and festive foods.

We are looking for teams of various sizes, from small groups to whole companies, to collect food and gifts to meet these wishes and donate them before Christmas.

Example wish list items include: toys, bedding, board games, toiletries, Christmas food items and hats, scarves, gloves and socks

## How the York Cares Christmas Collections work:

- Local charities are sending York Cares their Christmas wish lists and letting us know how we can bring some festive cheer to the people they support.
- York Cares recruit teams of volunteers to collect items for different organisations across the city.
- York Cares match teams to organisations based on the team size so that approximately one member of a team will collect one item on the organisations' wish list.
- Teams will be allocated on a first come first served basis but we will try to match teams to charities based close to their place of work.
- Arrangements are looking a little different this year, so most organisations have set up Amazon wishlists, which teams are able to buy directly from. However, if you are able to co-ordinate a physical collection and this would be preferable for your team, please indicate this on the form below.
- In cases where Amazon wishlists are used, items will be sent directly to the organisation. In cases where physical collections can happen, we can arrange with you a date and time to deliver the items to the organisation, or for the items to be delivered via York Cares.
