

Team Challenges

May - July
2021

Volunteering Opportunities

The following information provides details of Team Challenges that are available over the next few months. If you'd like to discuss what activities may be best suited to your team then please don't hesitate to contact us via email on info@yorkcares.co.uk

Team Challenges:

Team Challenges give your team the chance to get involved in a hands-on activity in the community. Why not use a Team Challenge as an opportunity for getting together for a team meeting or as induction activities for new staff members, all whilst providing motivating team-building activities for your team and promoting positive wellbeing. All Team Challenges are in line with the government guidelines on social distancing. The guidance states that there are exceptions where groups can be larger than six people and this includes the provision of voluntary or charitable services, however, most opportunities are for teams of up to 5 volunteers. Social distancing by remaining at 2m apart will be in place.

The Big Community Challenge at Rowntree Park

Applications are now open for the Big Community Challenge 2021! Running in conjunction with Rowntree Park's centenary celebrations, the Big Community Challenge will give volunteers the opportunity to take part in transformational work at the park. Please get in touch for more information and an application form.

Glen Gardens
