

Current Aspirations Opportunities

The Aspirations programme provides employability support to raise aspirations and enable people of all backgrounds and abilities to reach their full potential.

Right to Read

You will provide one-to-one reading support to primary school aged children for one hour a week for a minimum of one term (approx. 10 weeks) in either a school or library to help raise literacy standards and boost confidence, acting as a brilliant role model for children. Our next training session will be: **Wednesday 10 July 12pm-2pm** at Aviva, Wellington Row, York YO90 1WR. Right to Read Placements will begin in September 2024.

Monday Explore Sessions

Do you have a hobby or interest you would like to share with primary school pupils? We are looking for volunteers to deliver one-off after school sessions on a **Monday between 3.30pm and 4.30pm**. The sessions aim to raise interest and teach children about different activities and opportunities.

Day in the Life Sessions

Day in the Life is a one hour session that aims to link real life and learning for pupils aged 7-11. Delivering a Day in the Life session gives you the opportunity to make a big difference, in exchange for very little time commitment. This one hour session can have a huge impact on children who may know very little about the world of work. We are looking to deliver Day in the Life Sessions for primary schools the weeks commencing **10 & 17 June, 2024**.

Work Wardrobe at Careers Fair

We are looking for a couple of volunteers who could help staff our Work Wardrobe at the Graduate Job Fair at the **University of York, 10.30am - 3pm on Wednesday 8 May**.

Skills Session with Changing Lives

We are looking for volunteers to deliver skills sessions around finance management, cookery, employability, or any other interesting & accessible hobby for adults who are enrolled with Changing Lives.

If you would like to get involved with any of these activities, please contact Hannah via info@yorkcares.co.uk
