

Support our collection for The Hygiene Bank

In response to both need in the city and feedback from our members, in 2024 we have decided to trial collections throughout the year. This collection is to support the York branch of The Hygiene Bank.

The Hygiene Bank believe it is not right that feeling clean should be a luxury or a privilege for anyone in our society, yet many are living in poverty and cannot afford to stay clean. To combat this, they collect donations of new, unused and in-date hygiene products and distribute them to those in need.
