Day in the Life Sessions

Day in the Life sessions showcase the skills and tasks of different jobs for pupils aged 7-11. These 1 hour sessions can have a huge impact on children who may know very little about the world of work. We will be delivering sessions at the beginning of June.

National Manufacturing Day

National Manufacturing Day will be on the 25th September, 2025. It is a great opportunity to deliver some activities showcasing this sector. If you are a member who manufactures or has ties to the industry, we would love to look at delivering an activity for pupils during the week of 22nd - 26th September.
